

## **GIVEN IN TO DARK SPOTS & UNEVEN TONE?**

### **Brighten and Blend with Lumixyl**

The SilkPeel Dermalinfusion Lumixyl Solution employs cutting-edge peptide technology to improve the appearance of discolouration and achieve a more even tone overall. Treatment with Lumixyl Solution offers an accelerated approach to brightening that is effective and without the risk or irritation of other brightening agents.

The treatment is:

- ❖ Completely non-toxic
- ❖ Will not cause any sensitivity to sunlight
- ❖ A safe treatment for all skin types

*CLARIFY* Naturally occurring amino acids help to diminish dark spots caused by age and photodamage without the use of abrasive chemicals.

*BRIGHTEN* With no risk of irritation, the powerful peptide can be used continuously to achieve a brighter complexion and even tone.

*RADIATE* The combination treatment leaves your skin feeling fresh, healthy and luminous.

## **CONVINCED ACNE IS A FACT OF LIFE?**

### **Reveal a Clearer, Smoother Complexion**

The SilkPeel Dermalinfusion Clarifying Formula provides relief for the most sensitive, acne prone skin. The Clarifying Formula combines Salicylic Acid and Aloe to promote a clear complexion overall and improve the appearance of cystic and pustule acne.

*CLEAR* Salicylic Acid promotes cell turn over, unclogging pores and enabling the production of new cells and clear skin.

*SOOTHE* Aloe calms the inflammation and irritation associated with acne.

*TONE* Even abrasion gently exfoliates and smoothens texture without irritating sensitive skin.

## **TIRED OF FINE LINES & DRYNESS?**

### **Hydrate your Skin with Hyaluronic Acid**

The SilkPeel Dermalinfusion Hydrating Solution is a nutrient-rich moisturizing formula developed to quench the thirstiest skin.

*SMOOTHE* Hyaluronic Acid reduces the appearance of fine lines, wrinkles and improves overall tone.

*HYDRATE* Aloe calms the inflammation and irritation leaving skin soft, supple and moisturized.

*CALM* Chamomile: Even abrasion gently exfoliates and smooths texture without irritating sensitive skin.

## **SUN & STRESS DAMAGING YOUR SKIN?**

### **Infuse your Skin with Vitamin C**

Sun, stress and pollution can take a toll on skin at any age. If your skin is looking tired and dull, our estheticians can work with you to determine if SilkPeel Dermalinfusion with the Vitamin C formula is right for you. The potent antioxidant formula helps to brighten, exfoliate and infuse your skin with an arsenal of targeted antioxidants to protect against free-radical damage.

*CLARIFY* Tocopheryl Acetate, a stable derivative of Vitamin E, helps protect skin from photodamage and improves the appearance of scars and wrinkles.

*HYDRATE* Aloe provides extra hydration, leaving skin soft.

*BRIGHTEN* Sodium Ascorbyl Phosphate, a derivative of Vitamin C, helps brighten dull skin and provides a secondary line of protection against photodamage in conjunction with a sunscreen.

*SOOTHE* Allantoin & Dipotassium, an anti-inflammatory, soothes the skin.

## **DOES YOUR BODY NEED A FACIAL?**

### **Brighten and Blend with Lumixyl**

SilkPeel Dermalinfusion's BODY system offers multiple modalities for improving skin imperfections and tone all over the body. Be it acne, stretch marks, chronic dryness, sagging skin or cellulite – the BODY system's adjustable settings enable the delivery of targeted solutions to the appropriate depth for a range of skin types and conditions.

*SHAPE* Cellulite: Deep lymphatic massage improves the appearance of cellulite and the structure of the body's skin – painlessly.

*CLARIFY* Acne, Sun Spots, Stretch Mark: Targeted topical are infused deep into the skin, helping to improve some of the most frustrating skin imperfections affecting the body.

*EXFOLIATE* Roughness, Dryness, Dullness: Diamond-plated treatment heads exfoliate dead skin cells, revealing softer, healthier, more radiant skin immediately.

*TIGHTEN* Elasticity: Combination therapy helps to restore elasticity to limp and sagging skin.

**SILKPEEL DERMALINFUSION IS A CLINICALLY-PROVEN CONCEPT OF SKIN RE-SURFACING AND MAY BE USED BY ITSELF OR AS A WAY TO OPTIMIZE YOUR PHOTO-FACIAL TREATMENTS.**
